Student engagement in sustainability

Student Sustainability Committee (SSC)

Violeta Marie
vmarie@ethz.ch

Kommission
Verband der
Studierenden
an der ETH

*student
sustainability
committee*

What we do

- Organize a large variety of events for **environmental awareness and engagement**

- Develop new **ideas** for a more sustainable university and **empower student action**

- Reach out to students with suggestions and opportunities

Food group x Plant Based Universities

Student-led movement promoting plant-based canteens at universities.

- Raise Awareness
- University Politics → sign our petition!
- Develop food-related projects:
 - Master's Thesis
 - Guideline for Plant-Based events at VSETH
- Events

Our Teams

Communications

- Advertise events on socials, newsletters
- Design newsletters
- Website

Events

- Plan and host events
- Collaborate with other organizations to host events

Development

- Divestment
- Education
- Food
- Mobility and Infrastructure

Development

- Divestment:
Get ETH divesting assets from fossil fuels/ make finances more sustainable at ETH
- Education: Lectures, NAGETH (Sustainability Council of Student Associations (SA)).
- Mobility and Infrastructure:
Raise awareness through questionnaires, events, and talking to university.
- Food: Advocate for sustainable and more plant-based mensas.

What can you do?
